

This is the wiki of the French classes in Year 12 and Year 11 at Mount Albert Grammar School in Auckland, New Zealand.

Our two classes are mixed and very diverse: we are girls and boys, we are of ages from 15 to 18, we are of different nationalities and different cultures. For most of us English is the first language but some also speak other languages; we do different sports and have different interests.

But there is one thing we have in common: it's the French language which we all like. We all chose this subject because we wanted to, it is not compulsory at our school, so it is our choice. Here is what do have done, what we are doing and what we are going to do. Have a look!
